This is a digital copy of a book that was preserved for generations on library shelves before it was carefully scanned by Google as part of a project to make the world's books discoverable online.

It has survived long enough for the copyright to expire and the book to enter the public domain. A public domain book is one that was never subject to copyright or whose legal copyright term has expired. Whether a book is in the public domain may vary country to country. Public domain books are our gateways to the past, representing a wealth of history, culture and knowledge that's often difficult to discover.

Marks, notations and other marginalia present in the original volume will appear in this file - a reminder of this book's long journey from the publisher to a library and finally to you.

Usage guidelines

Google is proud to partner with libraries to digitize public domain materials and make them widely accessible. Public domain books belong to the public and we are merely their custodians. Nevertheless, this work is expensive, so in order to keep providing this resource, we have taken steps to prevent abuse by commercial parties, including placing technical restrictions on automated querying.

We also ask that you:

+ *Make non-commercial use of the files* We designed Google Book Search for use by individuals, and we request that you use these files for personal, non-commercial purposes.
+ *Refrain from automated querying* Do not send automated queries of any sort to Google's system: If you are conducting research on machine translation, optical character recognition or other areas where access to a large amount of text is helpful, please contact us. We encourage the use of public domain materials for these purposes and may be able to help.
+ *Maintain attribution* The Google "watermark" you see on each file is essential for informing people about this project and helping them find additional materials through Google Book Search. Please do not remove it.
+ *Keep it legal* Whatever your use, remember that you are responsible for ensuring that what you are doing is legal. Do not assume that just because we believe a book is in the public domain for users in the United States, that the work is also in the public domain for users in other countries. Whether a book is still in copyright varies from country to country, and we can't offer guidance on whether any specific use of any specific book is allowed. Please do not assume that a book's appearance in Google Book Search means it can be used in any manner anywhere in the world. Copyright infringement liability can be quite severe.

About Google Book Search

Google's mission is to organize the world's information and to make it universally accessible and useful. Google Book Search helps readers discover the world's books while helping authors and publishers reach new audiences. You can search through the full text of this book on the web at `http://books.google.com/`

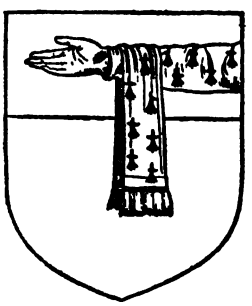
GRANDS MAISTRES

MESSIRE Pierre de Villers en Brie, Grandmaiſtre de France, du temps du Roy Charles ſixieme, l'an mil trois cens nonante: qui autrement eſt appellé Gaſpard de Chaſtillon, meſme par les chartres de l'Abbaye Noſtre dame du Val pres Liſleadam. Et portoit d'or au chef de gueulles, chargé d'un dextrochere reueſtu d'hermines, mouuant du ſecond party, brochant ſur le tout. Et ſ'il eſtoit de la lignee de Chaſtillon, il porteroit les armes de Gaſpard de Chaſtillon auec briſeure, ſigne diminutif des plaines armes.



MESSIRE Iean de Montagu, Viſdame de Laonnoys, filz de Girard de Montagu notaire & ſecretaire du Roy, natif de Paris, & frere de Girard de Montagu Archeueſque de Sens: Grãdmaiſtre de France du temps du Roy Charles ſixieme, l'an mil quatre cens & cinq, & du Roy Charles ſeptieme, l'an mil quatre cens & neuf. Et eut un filz nommé Charles, ayant pour femme la fille de Charles d'Albret Conneſtable de France. Les chroniques de Bretaigne & de Couſinot tiennẽt que le Roy de Nauarre feit alliãces auec le Duc de Bourgongne, & qu'ilz feirent es halles de Paris couper la teſte audict Iean de Montagu, pere de la femme du feu Admiral de Grauille, pour auoir ſes finances & le gouuernement du Royaume de France: dont le Duc de Berry & Loys Duc de Bourbon furent deſplaiſans. Et portoit d'or à la croix d'azur, accompaignee de quatre aigles de gueulles.

From J. Le Feron: Catalogue des tres illustres Grands-Maistres de France. Paris, 1555. [VII, 2.]

From J. Sibmacher: New Wapenbuch, Norimbergæ, 1605. [VIII, 12.]

From Patricii Respublicæ Nürenberg. Nuremberg, c. 1610, [VIII, 94.]

cardo Re di quell'Isola, s'ammalò in Messina, per causa del cacciare, essendo i tempi Autunnali, onde aggrauãdoli la febre, pose fine à gli anni suoi à 8. di Maggio, l'anno 1197. hauendo tenuto l'Imperio anni noue, e retto in pacifica possessione il Regno di Napoli, e di Sicilia anni quattro, & vn mese. Fù il suo corpo con solenne pompa di mortoro sepolto nella chiesa di Monreale di Palermo, nella cui suntuosissima sepoltura di porfido, quest'epitaffio si legge.

Imperio adiecit Siculos Henricus vtrosque,
Sextus Sueuorum candida progenies.
Qui monacham sacris vxoris duxit ab aris,
Pontificis scriptis hic tumulatus inest.
Imperauit an. IX. men. I. obijt Messanæ
An. MCXCVII.
